Rev. John D. Rayner S. J.
President, Marquette University

Dear Father Rayner:

Enclosed you will find a copy of my letter of August 8, 1978 to the Bursar Office of Marquette University, in request for our son's Walter A. Spence financial records, as per enclosed letter.

I feel that I deserve a reply. Since I have received no reply, I don't know whether or not they are complying with my request or not. If they are going to comply with my request, I would appreciate the material being sent to me as soon as possible. And if they are not going to comply I would appreciate some reason as to why they are not going to comply.

Along with that accounting I would like a disbursement breakdown, Cash disbursement, or a financial statement with a complete breakdown, so that I will be more able to understand it.

Father, I will appreciate any help you may be able to give me in acquiring this material.

Sincerely yours

W. Edwin Spence.
